ATT'N OF: Mr. G. J. Tiplitz /                      DATE: May 31, 1974  
SUBJECT: PHOSPHORIC ACID  
SCIENTIFIC CHEMICAL TREATMENT

As I mentioned to you, we have not received an accounting on the Phosphoric Acid sold by Scientific Chemical Treatment Company since 1972.

For the year 1972, they sold 766,967 lbs. at an average price of \$ .0263/lb. We have not received any accounting for 1973 or 1974. However, based on our total receipts for 1972, and the amount that Scientific said they sold in 1972, it appears, using 1973 total receipts, as if Scientific should have sold 684,000 lbs. of Phosphoric Acid.

If you have any further questions, please contact me.
